Defeat the Dragon Coding Challenge 2020

----X

Defeat the Dragon is a coding challenge made just for kids! Our Code Challenge 2020 is designed to test young coders' skills.

Students will answer 21 questions related to various aspects of coding to fight off an evil dragon and the final winners will be determined by public vote.

It's a special coding focused event for kids 8-18.

Why Partner with Defeat The Dragon?

----X

Partner with CWHQ by sponsoring this event to make an impact in the lives of kids ages 8-18 interested in science and technology.

- CWHQ's mission is to bring Coding to Kids #Globally
- We offer over 30K in Scholarships Yearly
- This **FREE** Event is an experience that can make kids love coding!
- Experienced Coders and Beginner will be excited to answer the 21 daily questions!

CodeWizardsHQ is the leading online coding academy for kids.

With thousands of happy students and amazing outreach becoming involved DTD 2020 can bring benefits to your organization by generating awareness and gaining additional exposure through various media channels.

- We have a list of over 14,000 email subscribers.
- We have a social media reach of over 30,000 parents all over the world
- We have students in Europe, North America, Asia & Africa
- Monetary Sponsorship provides funding for coding Scholarships
